14th September 2018

Dear Parents and Carers,

Year 6 Residential Trip to France and Belgium 2019

Thursday 23rd May – Sunday 26th May 2019

We are very pleased to tell you that this year we are arranging for all Year 6 children across the Federation to visit France and Belgium for their residential trip.

Last year's trip to the same region was incredibly successful. This is a fantastic location for developing the children's French vocabulary as well as giving them a real taste of France and learn about French life. We hope to include a visit to Mont Saint-Michel, the WW1 war graves, and a traditional French Boulangerie to see the bakers work – and leave with a fresh croissant or pain au chocolat! A day of fun at a theme park is also planned.

Clearly the experience of traveling to another country has enormous benefits for children in itself, but travelling and staying with their peers in a culturally diverse setting has even greater social, developmental and character building advantages.

This trip will be booked and organized through 'NST' a company with many years' experience and a good reputation for school trips abroad. Transport will be by coach and ferry across to France. The children will be staying at Le Chateau d'Ebblinghem which is situated in a central and beautiful location along The Opal Coast.

The cost of this trip – which includes all food, travel, accommodation and activities – is £304 depending on the amount of children who will be going. We are aware that cost may be a worry for some families and we do not want finance to be a barrier, therefore payments may be spread over several months if you wish – either weekly or monthly. It is our hope that every child will come as it forms part of their curriculum and education and will form the basis for future work in the classroom.

Please return the slip attached by Friday 28th September to show your interest in this trip, so we can confirm plans and costs. If you have any questions, please let me know 😊

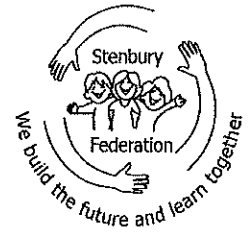

Yours sincerely,

Miss S Audley
