21st December 2018

Dear Parents,

Firstly may I wish you all a wonderful Christmas. It has been an incredibly long and busy term. It has been wonderful to be part of the school for the period and see all of the performances and celebrations.

I want to thank all the staff for their continued hard work and commitment to the school. The staff at Chillerton and Rookley have been incredibly diligent and continuously try to provide the best for your children. It isn't always easy, but as a school things are becoming increasingly settled and a structure is in place to continue to improve the school to be the fantastic school we all want it to be.

I would like to formally thank Mrs Hedley for the work she has done at the school with our younger children over the last few years. We are all wishing her every success in her next adventure; she will be missed by all. I would also like to welcome Mrs Evans to the school to join as our class one teacher in January

As a school we value your views and opinions about the school. We also really appreciate the passion and loyalty that you as parents have for our school. It has been really valuable to listen to parent's views as we strive to improve the school. I would like to set up a half termly Headteacher coffee and chat session open to parents to share your views and ideas and to include you in the process of running the school. To that end, I would like to welcome any parents to Headteacher coffee & chat meeting at 9:00 on the 6th February.

Can I also thank the PTFA for their sterling work in supporting the school and the money they raise to help buy loads of extra equipment and resources for the school. It is greatly appreciated and a vital part of the school.

Finally, the children at Chillerton and Rookley have been a credit to you and continue to be a fantastic bunch. I wish everyone a restful Holiday and a Happy New Year.

Mr Snow
